Lively Runaway

Orza Gooch and a Miss Stokes, of the Twenty-fourth district, drove to a negro baptizing Saturday afternoon. Starting from Miss Stokes' home, after their return from the baptizing, and the young lady had gotten out of the buggy, the mare Mr. Gooch was driving became unmanageable and ran away. She kicked herself loose from the buggy and ran to the home of Alf Warbritton, where she fell down exhausted. Mr. Gooch had a few days before paid \$200 for the mare and she is a very fine animal.

If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for Tennessee testimonials, Dr. E. W. Hall, 2926, Olive street, St. Louis, Mo. Sold by all druggists.

Park-Todd

Osborn Park, of the Sixteenth district, was married last Sunday to Miss Malinda Todd, of Coxburg. A few friends accompanied Mr. Park to Coxburg and witnessed the marriage. These are clever people and they have many friends who wish them a happy married life. They will reside at Mr. Parks' home in this county.

What We Never Forget

according to science, are the things associated with our early home life, such as Bucklen's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures proves its merit. Unrivalled for piles, corns or old sores. Only 25c at Patrick Drug Company.

A Good Meeting

The meeting at Prospect church, in Hollow Rock, closed last week after some fine work had been done. The services were conducted by Rev. J. G. Cooper, the pastor, assisted by Rev. D. S. Brinkley, of Union City. There were about fifteen conversions and twenty-two additions to the church. The membership was greatly revived and the religious sentiment of the town had a splendid uplift.

The Men Who Succeed

as heads of large enterprises are men of great energy. Success, today, demands health. To ail is to fail. Its utter folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Charles B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50c at Patrick Drug Co.

Runaway Accident

Last Monday morning as J. W. and Bill Foster were coming to town the male they were driving ran away and dashed into a buggy in front of them, occupied by John Foster and his mother, Mrs. J. W. Foster. The buggy was turned over and Mrs. Foster thrown out. She fell against the ground with considerable force and was badly hurt. She was picked up and brought to the home of Mrs. J. C. Giles. She is getting along very well, but was considerably bruised and shaken up. The buggies were badly damaged.

Uncle Ezra Says

"It don't take more'n a gill uv effort to git folks into a peck of trouble" and a little neglect of constipation, biliousness, indigestion or other liver derangement will do the same. If ailing, take Dr. King's New Life Pills for quick results. Easy, safe, sure, and only 25c at Patrick Drug Co.

Willis Williams Dead

Willis Williams died at the home of his son, G. W. Williams, near Vale, last Sunday morning at 6 o'clock. His death was caused from ill incident to old age. He was 86 years old and is survived by three children. Mr. Williams

was a member of the Methodist church and had been for a long time. He was a clever, upright man and had many friends. The burial occurred last Monday at the Marlboro burying ground. The deceased was a brother of the late E. W. Williams, a former sheriff of Carroll county, who resided at Hollow Rock.

Sold High

The home place and real estate of the late ex-Governor Porter was sold last week for \$32,500. The purchaser was Joel M. Porter, a prominent merchant of Paris. There were 95 acres of land connected with the place.
